

B<sup>2</sup>

means for determininig windows to be arranged in a first format and windows to be arranged in a second format, wherein at least one window is determined to be arranged in the first format.

115. The database management system of claim 113, wherein the windows determined to be arranged in the second format are represented by graphical icons and are displayed in a lower portion of one or more of the first format windows.

116. The database management system of claim 113, wherein the arranged format is a targeted format chosen by a user of the database management system, further comprising:  
means for choosing a target format.

117. The database management system of claim 116, wherein the user may enter a customized target format, further comprising:  
a keyboard, wherein the customized target format may be entered.

118. The database management system of claim 116, wherein the user may choose from several different formats, the data management system further comprising:  
means for displaying a list of formats to be chosen.

---

#### REMARKS

By this amendment, claims 1-98 have been cancelled and claims 99-118 have been added. Prompt examination and allowance of the claims are respectfully requested. No new matter is introduced.

The commissioner is hereby authorized to charge or credit any deficiencies in connection with the new added claims to deposit account No. 08-2025.

Respectfully submitted,

Date: August 23, 2001
